A reward of \$50 has been offered for the arrest and return of each of the men. The officers of the 23rd are

### How to Cure Eczema, Pimples and Dandruff.

We desire to say that when we took the agency for ZEMO, we were con-vinced that it was a valuable remedy for Eczema, pimples and dandruff. Yet, we must frankly admit that Zemo has far exceeded our expectations as a treat a fe ment for skin diseases. We are pleased lene. to state that we shall continue the agency as ZEMO has given splendid results wherever recommended. Our cus-tomers like Zemo too, because it is a clean vegetable liquid for external use.

ZEMO effects its cures by drawing to the surface of the skin and Estroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing or linen and can be used freely on infants.

With every purchase we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp disease by this clean, scientific remedy. Knoblauch Drug Co., Druggists.

# THE CONVENTION OF SHERIFFS

W. L. Futch Is Elected Vice President-Beaumont Wants Next Con-

vention. The Sheriffs' association of Texas losed its annual convention with a trip to Cloudcroft today. Wednesday afternoon W. L. Futch, of Coleman county, was elected vice president of the association over W. L. Wright, of Wilonly one over which there was any

Capt. Wright was placed in nomination by Ames Lee after A. R. Anone and it was necessary to cast a second ballot before sheriff Futch was propose to enforce the laws governing elected. Both he and sheriff Taylor the use of water from this time on. made speeches thanking the members for their support as did retiring president Woody Townsend and incoming president A. R. Anderson

The Sheriffs Sing. As modest as a bunch of school girls during the Tuesday and Wednesday morning sessions, the sheriffs broke into a song at the Wednesday afternoon session with a number of speeches that would have put a Democratic county to place W. L. Futch in nomination for the vice presidency. Even Joe Bean, of having a speechmaking bee in his bonlarge sized bunch of eloquence, Jake rhetorical set piece in which he whooped it up for Texas in general and Beaumont in particular. The vote on the vice presidency stood Futch, 34; Wright, 31; Chastain, 7 on the first ballot, Chastain dropped out and the flual vote was

Beaumont Wants Convention. Sheriff Giles again broke into song by inviting the next convention to come to Beaumont which was the only place south of heaven to hold a convention. to hear Jake. The convention closed mmerce for the courtesles which had been extended to the sheriffs while they were here. The resolutions mentioned secretary Kinne and Miss Nitta Rans-

erger, his assistant. Before final adjournment president Anderson said that he would announce the list of committees after he returned to his home in Houston. Someone then moved to adjourn, Jake Giles seconded t as usual, and the sheriffs went for an auto ride down the valley,

Wednesday's Smoker. through the downtown streets and lected and all friction avoided. ended at the Elks' club where the sheriffs' smoker was given for the visit-ing peace officers.

Only a part of the sheriffs attended the smoker, as a number accompanied their wives to the Airdome performance which was given as a compliment to the visiting sheriffs. The program at the smoker consisted of a sextet of negroes who played on various sized re or less musical instruments, sang, danced and furnished the major portion of the entertainment for the visitors. Dan M. Jackson told a running fire set of stories on everyone present, Jake Glies made a speech, came back and told a story and continued to make speeches and tell stories during the Charles Reum gave an appro-Refreshments and cigars were

erved during the smoker. Many of the sheriffs left Wednesday rening for their homes in east Texas. Another delegation will leave this evening on the Texas & Pacific and G. H. trains while those who went to Cloudcroft Thursday will return Friday even-The Cloudcroft delegation was headed by R. V. Watts, of Lufkin, who has been boosting for this part of the

NOTED POLITICAL CHARACTER DIES New York, N. Y., Aug. 11.—The death Wednesday at Mount Vernon of John B. Allen marked the passing of one of the noted political characters of his day. He played an unusual part in the nomination of Abraham Lincoln for president, in breaking away from the New York delegation, casting a single vote for Lincoln and turning the tide toward the man later to be assassinated.

R. S. Humphries, of New York, was in Las Cruces yesterday and left today for Arizona and California points. Mr. and Mrs. C. F. Leonard, of Pueblo, who have been in the city for sevral days, left for Albuquerque this morning. from where they will go to Arizona and California.

### MINING AND OIL NEWS.

THE DRAGOON DISTRICT

NOW MOST ACTIVE. Dragoon, Ariz., Aug. 11 .- The Centurion Mining company has encountered a rich body of ore on the 410 foot level of the shaft. The ore and iron comes in the hanging wall with nearly a vertical trend. Fifteen feet more will be sunk and the fifth station be cut, and drifting in ore will be pushed each direction and shipments be commenced The new strike is within 60 days. creating great interest in the district. The property is two miles distant from another important property, known as the Red mountain.

Contract work is progressing on Hazlewood's Cicero-Smith mine, which adjoins the Ben X. Williams property, and F. W. Adams is doing work on the Adams 12 claims adjoining the Hazle-

The Texas-Arlzona people are work ing two shifts taking out ore, and shipped another car last week. C. Hooper has leased the Gregory claims and is working them. An ex-amination is being made of the Higgins properties and it is reported that a diamond drill will be installed.

The Red Mountain. The Red Mountain company is developing a group of claims in the same district and encountered some good ore bodies in the crosscut, which is being driven south from the 100 foot level. The ore is a good milling proposition and on a 75 percent reduction show in the concentrates \$4 in gold. \$10 in silver and 10 percent copper Plenty of water is attainable at 600 feet depth.

#### MANY IMPROVEMENTS AT THE JEROME CAMP.

Jerome, Ariz., Aug. 11 .- In the mine of the Haynes Copper company. Jerome, Ariz., in the drift called the A drift, on the 700 level, ore is reported to have been exposed 408 feet. body of state had been run through. when the full face of the drift had been-carried into a solid body of high grade sulphides, and entered it three feet with indications of permanency. The Haynes mine is near the Arkansas and Arizona, and the strike is considered of great significance to the

The United Verde. In the same district improvements are in progress at the United Verde Copper company's works. Two blowers with a capacity of 3000 cubic feet per minute are being installed, one to "Forty Years In El Paso." be run by electric motors and the other by a Diesel oll engine using crude oil. It will be in a new building constructed for the purpose. The

foundations are of concrete.

A new 500 ton furnace is being placed in the smelter in addition to the three already in.

### STEADY WORK BEING DONE IN THE HARCUVAR DISTRICT. Wickenburg, Ariz., Aug. 11 .- The an-

nual report for 1909 of the Harcuvar Copper company has been issued. The company has a group of 20 patented claims and a 20 acre water claim, in nvar mountains near Wenden Ariz.

Over \$20,000 has been expended in improvements and development work. A tunnel has been run in on the vein 511 feet and several hundred open cuts and prospect shafts made. The claims are traversed by a series of parallel diorite dikes from 10 to 30 feet wide about 100 feet apart. The ores are ideal for smelting, averaging 4 percent copper, \$6 to \$8 gold, 85 cents silver and 15 percent iron. Arizona Copper Belt.

The Arizona Copper Belt company is developing the Wren group near Canstellation and has driven a tunnel on the vein 170 feet, attaining a depth of 400 feet, showing a two foot vein of high grade ore, both gold and copper. A shipment will be made to the Humboldt smelter.
